US 150 Lane Closures at the McClugage Bridge

PEORIA – The Illinois Department of Transportation announces that intermittent daytime lane closures on US 150 at the McClugage Bridge over the Illinois River will begin Monday, June 6 and continue for approximately two weeks.

The lane closures are necessary for bridge washing work to be completed. Work will begin on the westbound span of the bridge, then will move to the eastbound span.

Please slow down and use extreme caution while driving through all work zones.
